WASHINGTON, D.C. 20463

RQ-2

Robert Anderson, Treasurer
Citizens to Elect Rick Larsen
P.O. Box 326
Everett, WA. 98206

MAY 31 2000

Identification Number: C00345546

Reference: April Quarterly Report (1/1/00-3/31/00)

Dear Mr. Anderson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses a contribution(s) which appears to exceed the limits set forth in the Act (copies attached). You should examine all of your contributions to check for additional excessives. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$1,000 per election. A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was not completely or correctly reported, you should amend your original report using the new or corrected information. If the contribution(s) exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or request a written redesignation and/or reattribution of the contribution(s) from the donor. All refunds, redesignations, and reattributions must be made within sixty days

of receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

-Schedule D of your report itemizes a debt to Capitol City Press with an outstanding beginning balance; however, this debt was not included on your previous report. Please refer to Section 104.11(b) of the FEC Regulations and file an amendment to your report(s).

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the

contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-Schedule A of your report discloses contributions from political committees but fails to include the full and/or recognizable name. Reporting only the name of the connected organization, abbreviating the name of the committee so it is unrecognizable, or using an indistinguishable acronym is inadequate. (11 CFR §102.14(c) and 104.3(a)(4)(ii)) A listing of the full FEC-registered committee names and approved acronyms can be found on the FEC web site or can be obtained by contacting the FEC Public Disclosure Division. Please amend your report to include the missing information.

-Your report includes computer produced formats of Schedule A, Schedule B, and Schedule D. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Your sample formats must include data in order to be reviewed for approval. 11 CFR §104.2(d))

Alternatively, freeware (FECfile) available from the FEC, can help you complete and file your reports electronically. You may obtain your free copy by downloading FECfile from our website, <http://www.fec.gov>, or by calling the FEC Electronic Filing Office at (202) 694-1307.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
